Education

The Moroccan School of Engineering Sciences, Tangier — Software Engineering Diploma Oct 2021 – Present
Abdelmalek Essaâdi University, Tetouan — Bachelor in English Literature Oct 2022 – Present

Work Experience

AI Solutions Intern — ACCOR Jul 2025 – Sep 2025

- Developed an AI-powered multilingual assistant for a luxury Accor-managed hotel, improving guest experience and streamlining operations through intelligent content structuring and automation.

Software Engineer Intern — Polydesign Systems - Exco Solutions Aug 2024 – Sep 2024

- Maintained and repaired software components, troubleshooted malfunctions, and delivered production-ready solutions in real time.

Back-End Developer Intern — NTT Data Jul 2022 – Sep 2022

- Worked within a scrum-based project team as a back-end developer on a Human Resources management application.

Database Administrator Intern — Everis Jul 2021 – Aug 2021

- Created an automation project to facilitate staff list management using Power Automate and SharePoint.
